

Mercer County Metropolitan Planning Organization (MPO)

Results from January 17, 2006 MPO Meeting – Priority Transportation Projects in Mercer County. Each voting member of the MPO was given the opportunity to rank capital transportation projects from 1-10. We compiled the ranking by a scoring system. A rank of 1 was given 10 points; a rank of 2 was given 9 points and so on up to a rank of 10 that was given 1 point. (16 ranking sheets were tallied)
